

2017 Epiphany Jr. High Basketball Tournament

Dear Parents and Supporters of Epiphany School,

The 39th Annual Epiphany Jr. High Boys and 19th Annual Girls Basketball Tournaments are in their final planning stages. They will be held beginning on or about Wednesday February 15th and conclude on March 5th. The Tournament has become very well recognized over a large geographic area by providing quality competition and excellent organization. A large part of the success of the Tourney, and the reason it generates the profit it does is because of parent support. The Tourney raises over \$10,000 a year which is used to support our School's athletic programs. The bulk of the revenues come from concession stand sales and door admissions. These could not be possible without your willingness to be at the school during the event and volunteer your valuable time for these activities.

We are asking again for your support to make this year's event as successful as past ones. The 2017 tournament's website can be accessed through the school's website under links or directly at :
