

# Epiphany School Incentive Benefit

Each current school family or parishioner is given the **challenge** to bring one or more new student(s) to Epiphany School for the 2017-2018 school year.

Each **new** student who gives a current family credit for enrolling in Epiphany School between June 1<sup>st</sup> and August 30<sup>th</sup> will benefit you. Any parishioner who is given credit for the enrollment of a new student can **award** their benefits to any existing family at Epiphany School.

The credit/reduction of **\$1,000.00** will be applied towards your total 2017-2018 tuition bill **at the end of the year** as long as the new student(s) complete the entire academic school year.

Please contact Sister Kathleen at Epiphany School
